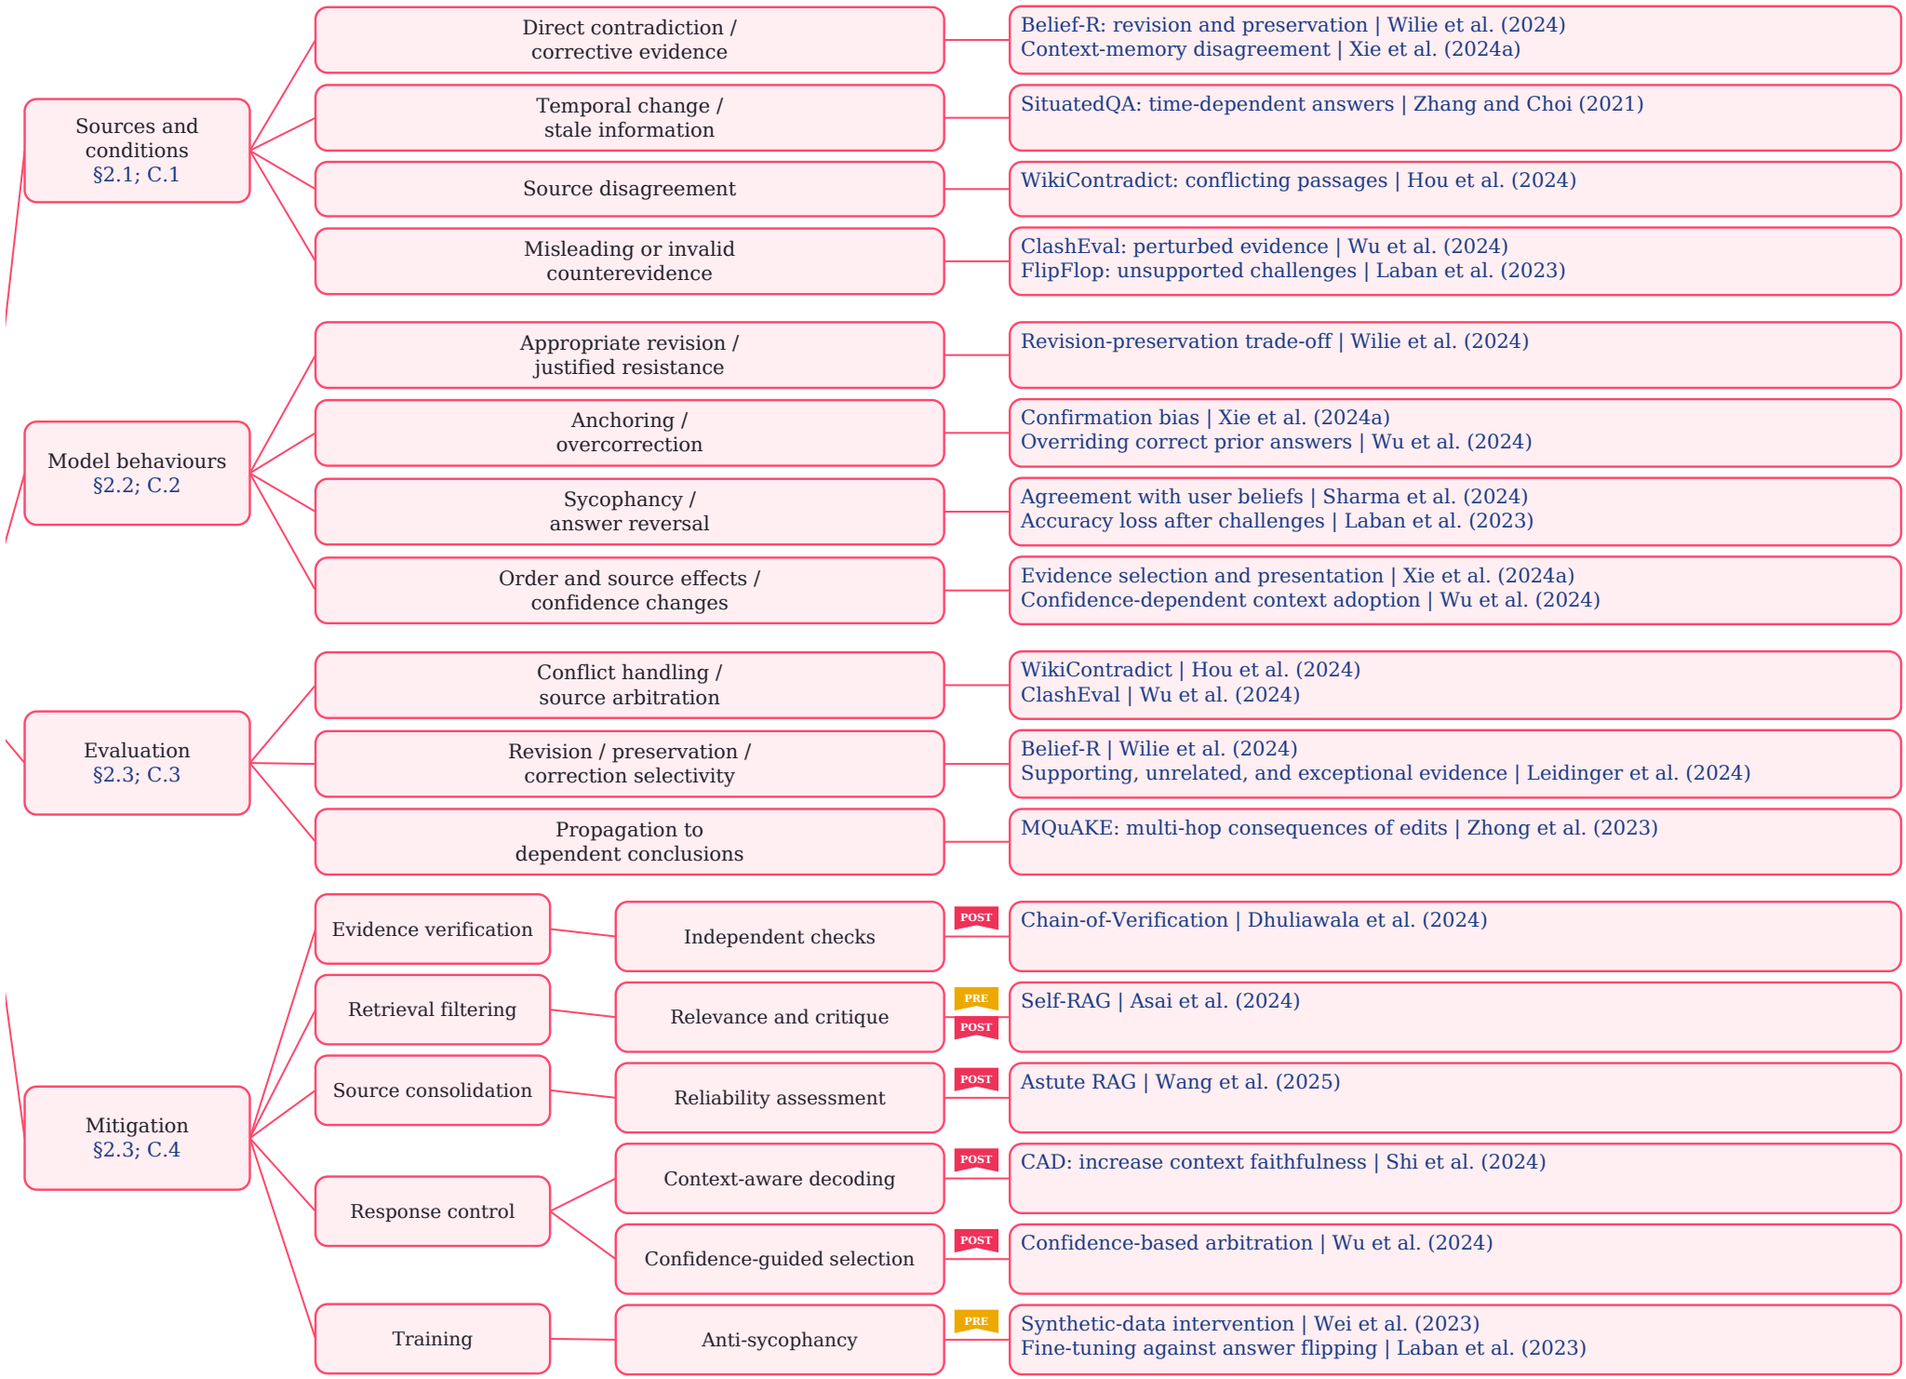

Figure 3.1 Contradictory Evidence

Section 2; Appendix C

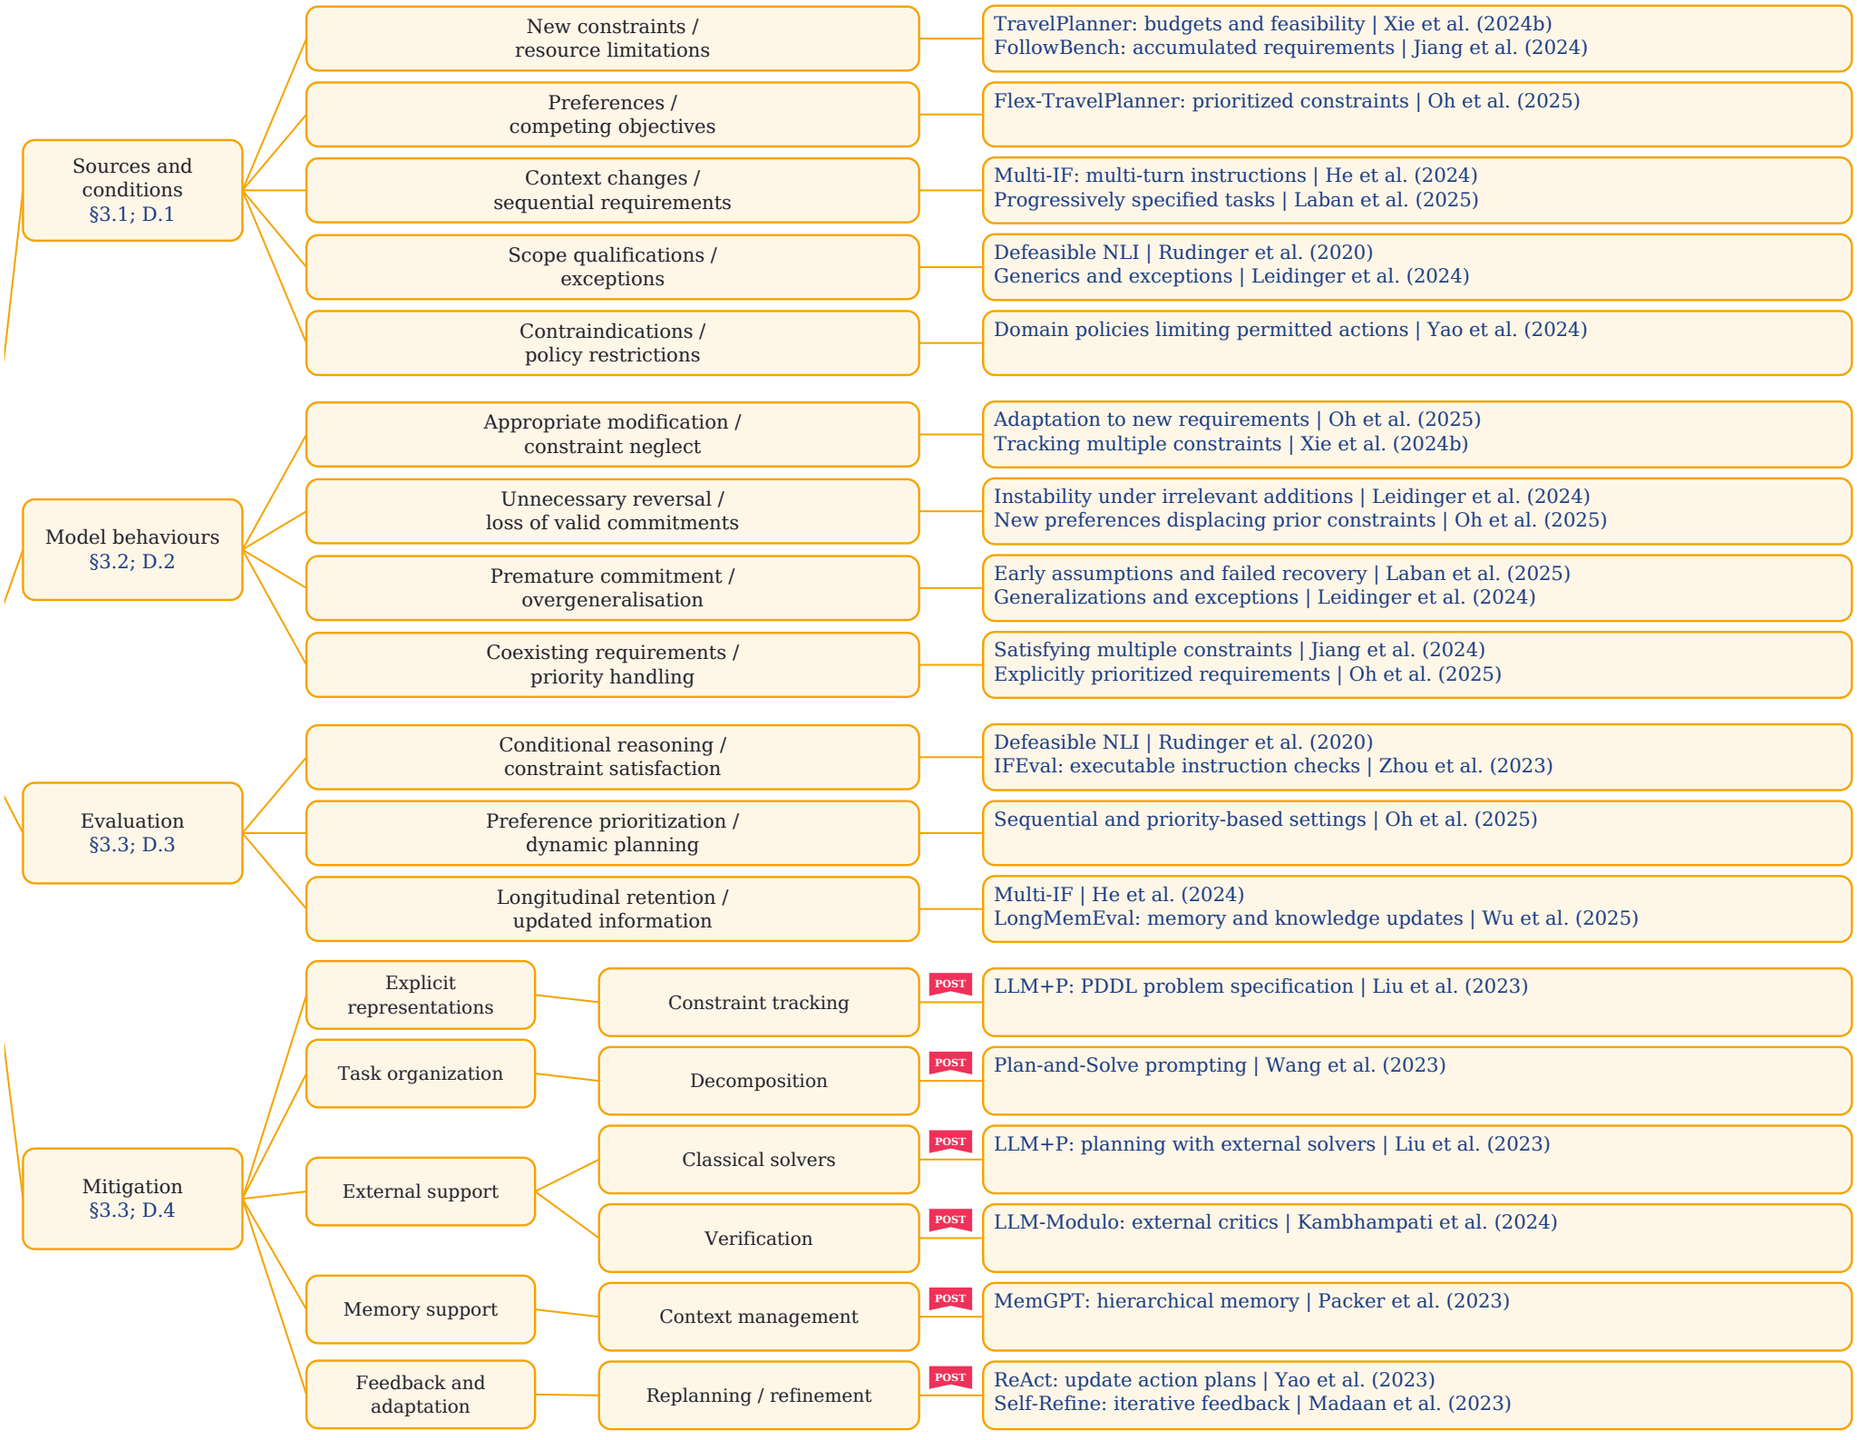

PRE: preparation / training. POST: evidence-time inference or response processing.

Both ribbons: combined stages. Section references point to the main text and appendices.

Figure 3.2 Complicating Evidence

Section 3; Appendix D

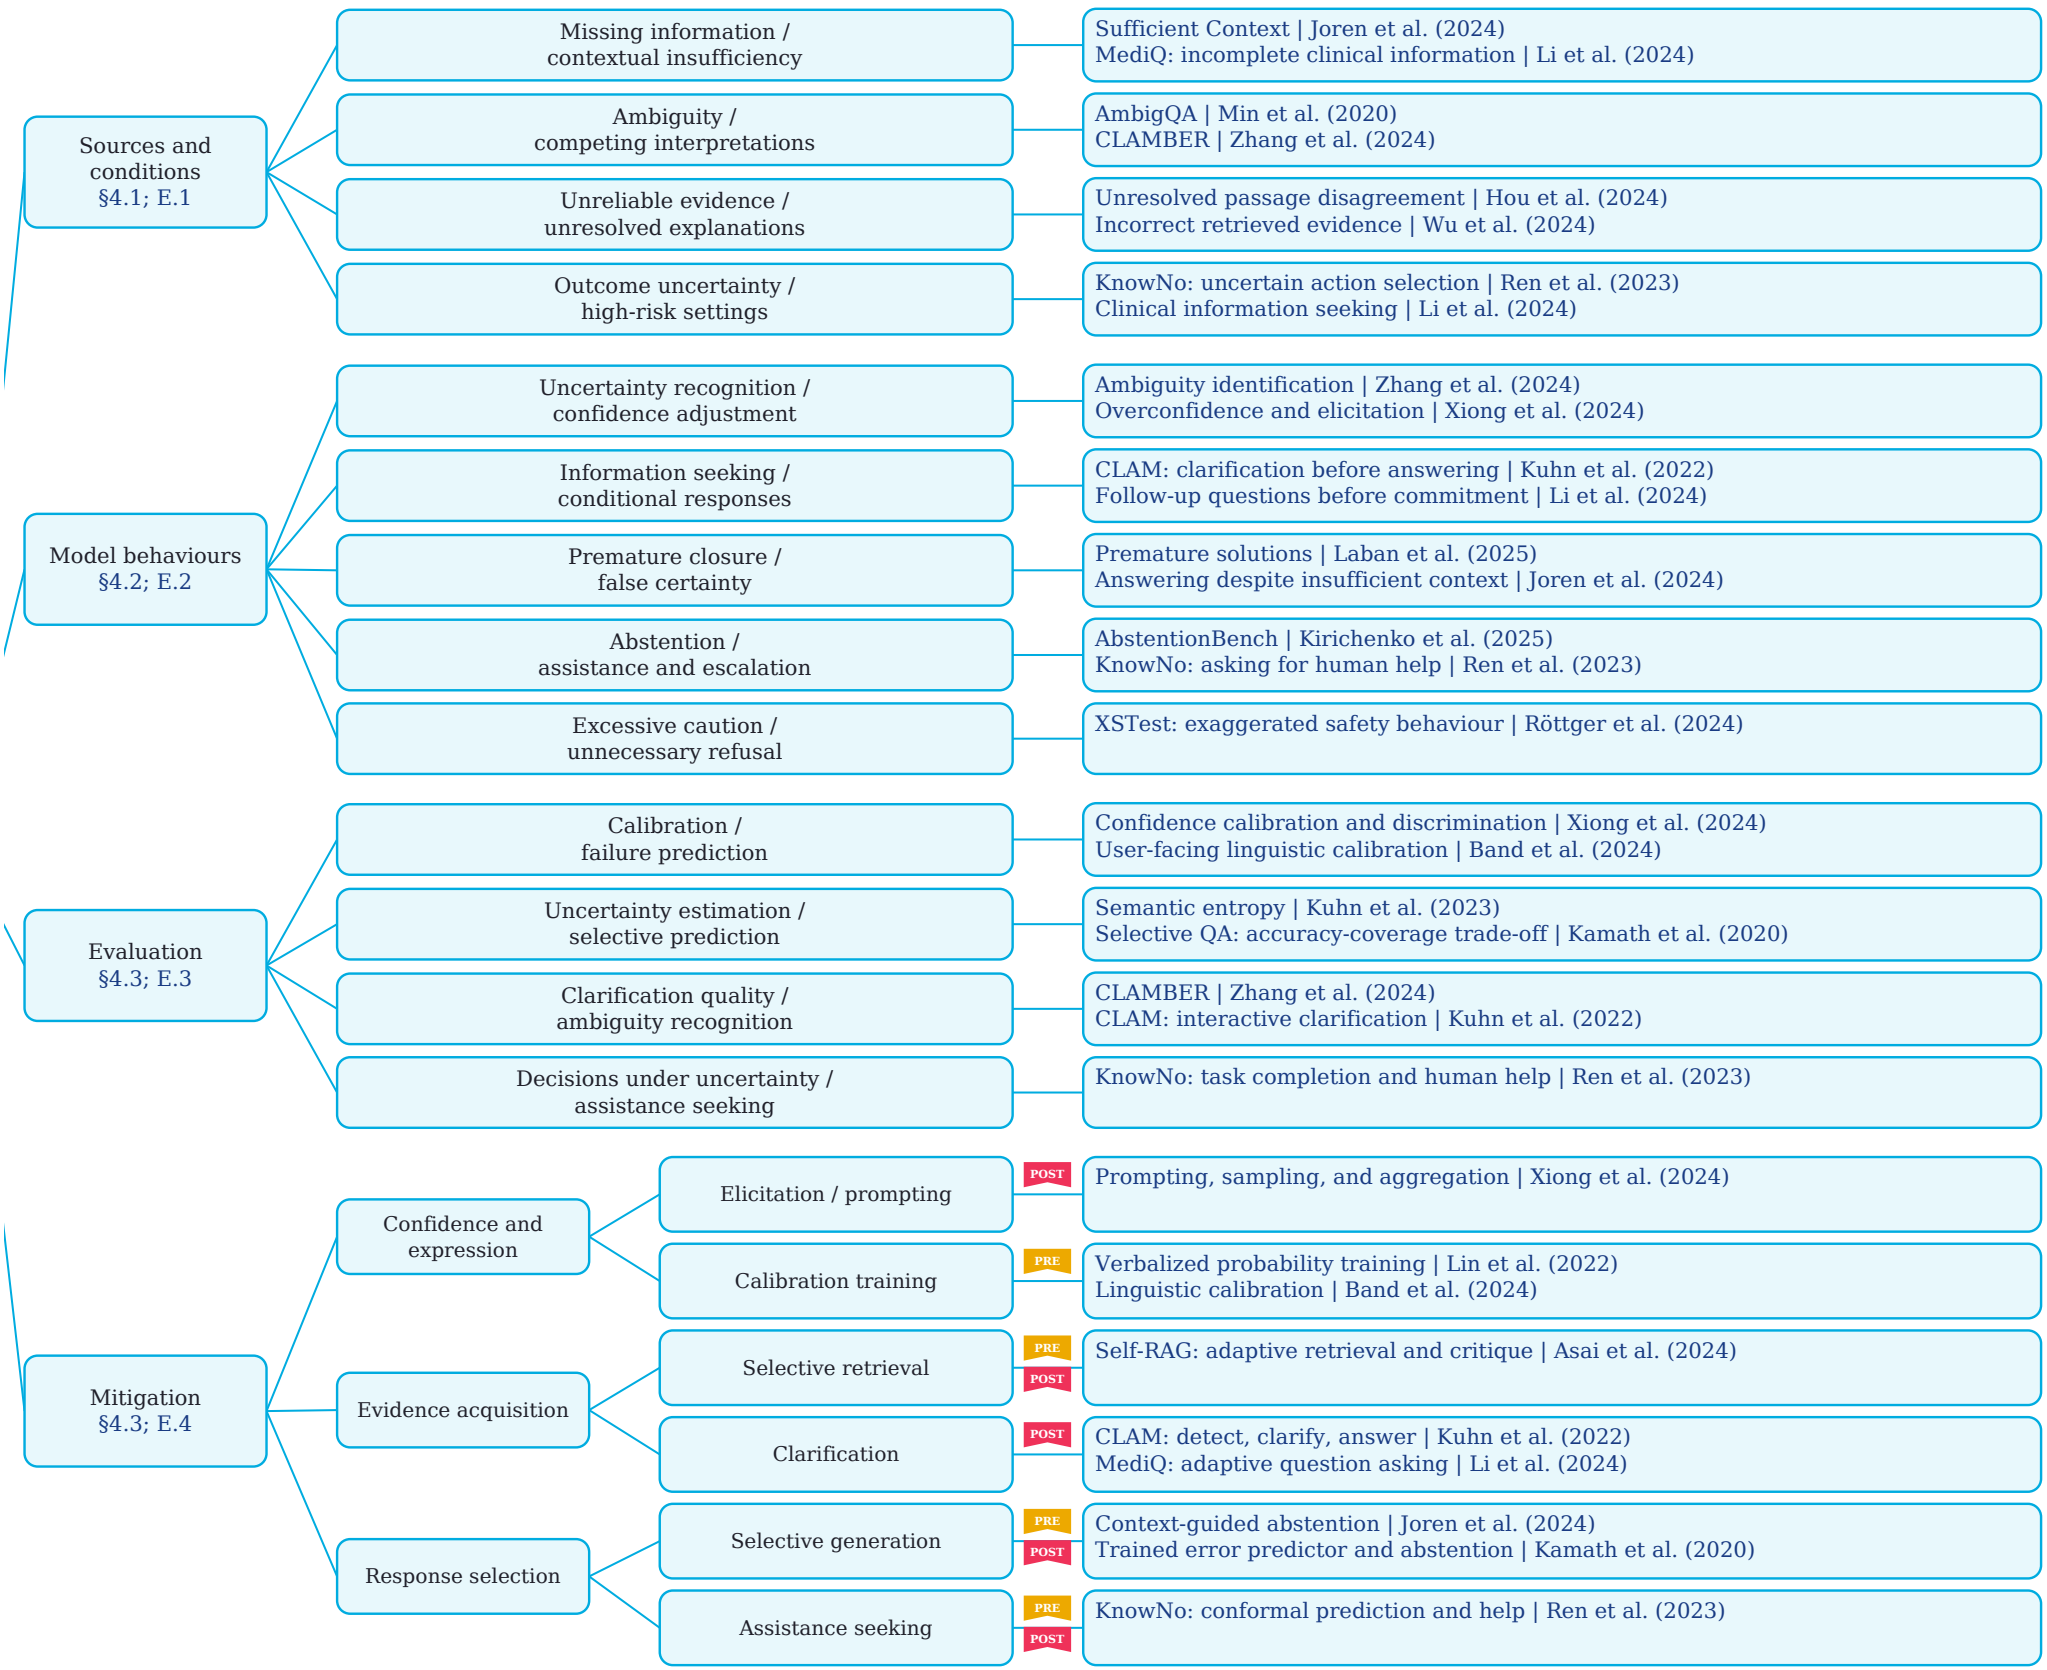

PRE: preparation / training. POST: evidence-time inference or response processing.

Both ribbons: combined stages. Section references point to the main text and appendices.

Figure 3.3 Uncertainty-Inducing Evidence

Section 4; Appendix E

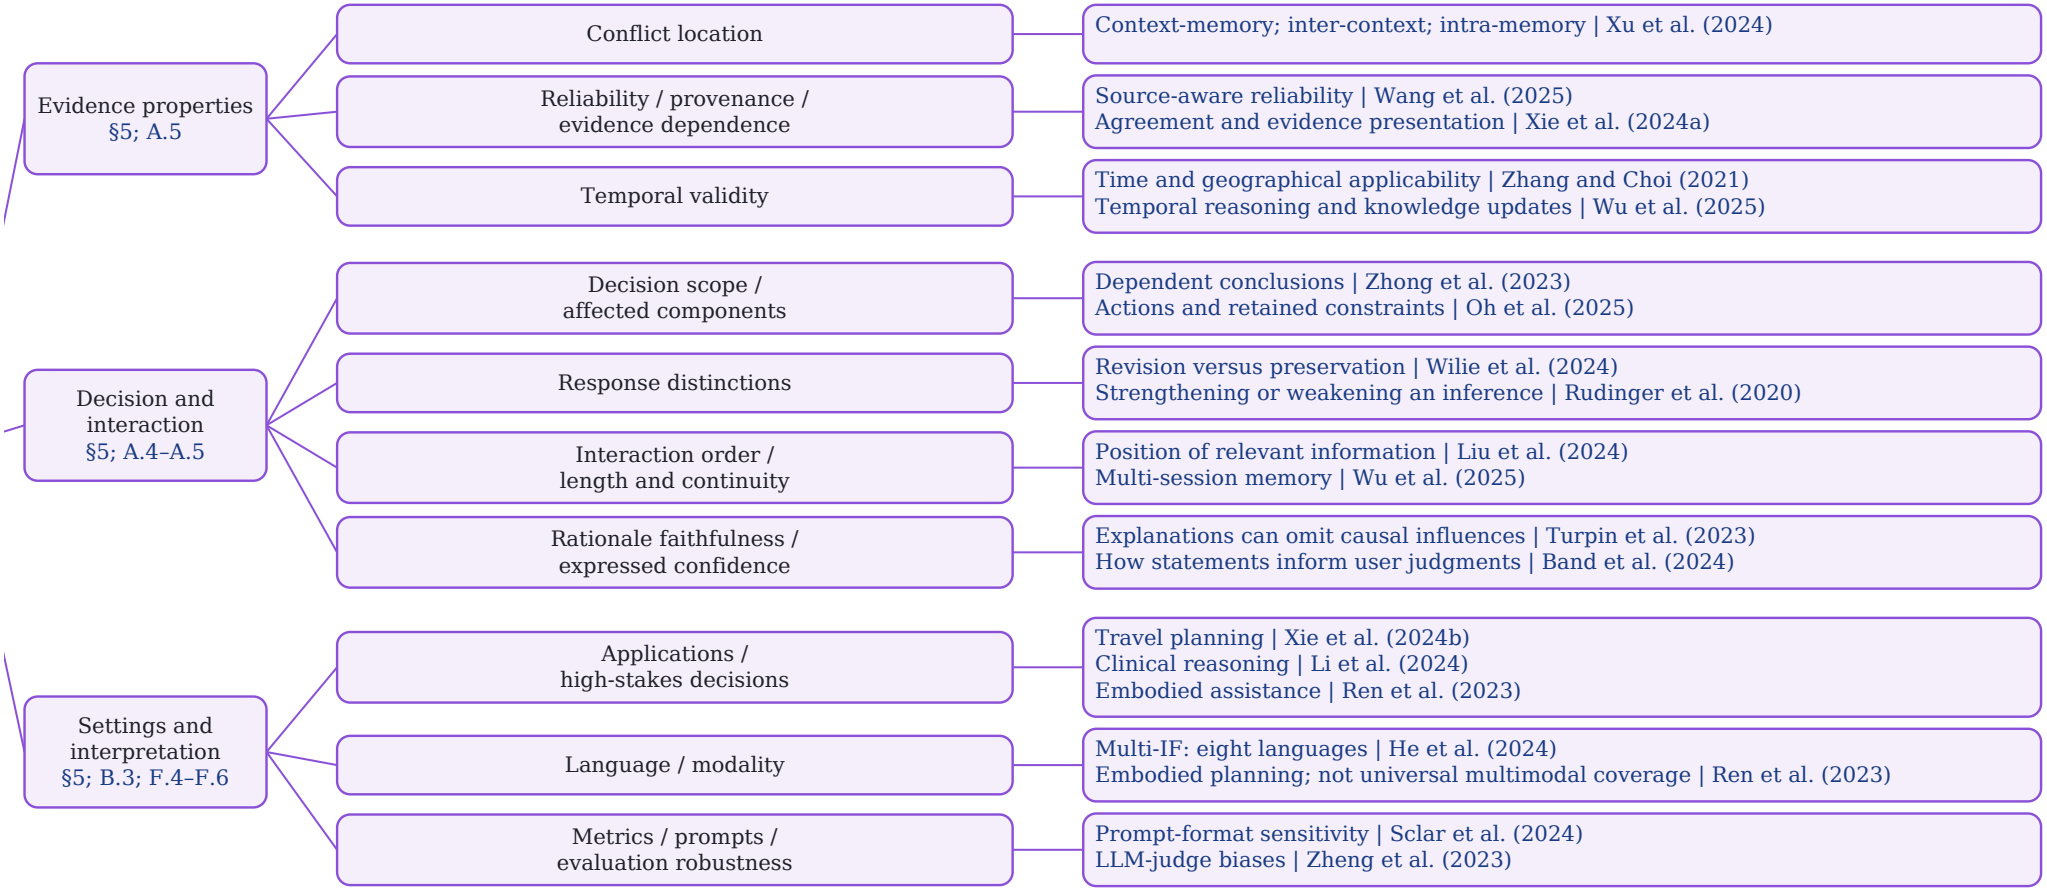

PRE: preparation / training. POST: evidence-time inference or response processing.

Both ribbons: combined stages. Section references point to the main text and appendices.

Figure 3.4 Cross-Cutting Synthesis (Orthogonal)

Section 5; A.4-A.5; Appendix F

PRE: preparation / training. POST: evidence-time inference or response processing.

Both ribbons: combined stages. Section references point to the main text and appendices.
